---

By Penny Vedrenne

lulu.com. Paperback. Book Condition: New. Paperback. 44 pages. Dimensions: 10.8in. x 8.0in. x 0.4in. Some of the first things little ones are introduced to are farm animals and the sounds they make. The farm theme has been a popular choice for decorating a child's room for a long time and it still is. With these stencils you can create the perfect farm yard setting for your little one. Included are a barn, a chicken, a cow, a fence, a horse, a lamb, a pig, a sheep and a tractor. Use your imagination and combine them to create a beautiful mural. Use them individually to decorate a piece of furniture or create accent pieces like pillows and throws. These are cut and paint stencils. Most cut and paint stencils are complete with only one stencil and leave you with a silhouette image. These designs each have more than one stencil (called overlays) and they leave you with a complete picture. My goal was to create a project that would be easy enough to complete in a minimal amount of time and yet leave you with an art piece only lacking of your individual touches. These stencils are designed to inspire your creativity!...
