These stories were written for folks who need to take time out to rest and enjoy a moment of encouragement, to hear how the Lord is working in others lives and is available to work in yours. Ronny s story is a true account of the transition of life to eternal life by my brother. It is true, it is an overview of some events that took place, till his encounter with the eternal. Caleb s story is the story Caleb told the Beaver, when he was a young boy. It is about what he wanted to tell Harry when he met him, again. Harry was an evil little imp, that wanted to change the world to his liking. Caleb didn t want any part of it. God designed Caleb with a destiny formed in the high places of heaven. Hope s story is the story of an angel, who wanted to come to earth, to have a human experience. She waited a long time, because God had to have every aspect of life on earth in perfect order for her to enjoy the experience. It is how God used a puppy dog to get the job done. These stories are written for you to enjoy a moment of quiet, with a cup of your favorite hot drink, cold drink or lollipop. Take a load off, put your feet up and read a good story.
