BookBaby, United States, 2016. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. The Blueprint: Good Day Plans for Elementary School Boys is intended for all boys ranging from ages 4-12, parents, teachers, elementary schools, early childhood centers, daycare workers, and Sunday school teachers. It is important to be proactive in properly addressing male behavior in the elementary school setting before future negative problems occur. This is important because: 1) Boys make up 90 of all school discipline problems, 2) Boys make up 80 of students requiring medication to assist in maintaining self-control, 3) Boys account for 70 of school suspensions, and 4) Boys make up 80 of the high school drop out population. The Blueprint series provides good day plans created by real boys to help with making better choices in the school setting and in life.
