HOW TO GET A PROMOTION AT WORK

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Table of Contents Introduction Service Delivery Team Player Mind Your Timing and Language Relationship with Colleagues Acquire Knowledge in Your Field Conclusion Author Bio Publisher Introduction Have you ever wondered why some people climb the career ladder quite fast while others stagnate for a very long time? Have you been doing the same job for a number of months or years without a promotion or increase in salary? Have you been so frustrated that you re thinking of quitting your job and trying your luck elsewhere? There are two ways in which you can get a promotion. You can ask for it and then hope that your boss will give you the promotion. Alternatively, you can continue working hard and then hope that your boss will notice your effort and promote you automatically. Either way, a promotion is a promotion and comes with a new package and additional responsibilities. Regardless of when you started working for your current employer, there are several things that you can do so as to increase the probability of getting a promotion. With a good strategy you can reach levels that you could never have imagined. So as to get promoted you have to convince your employer why they should give you additional responsibilities and increase your salary. You can do that by verbally asking for the promotion and convincing them why they should promote you. You can also do an exceptional job in your current capacity and then wait for the promotion. The book How to Get a Promotion at Work is equipped with everything you need so as to start climbing the career ladder. After reading this book, you ll know...
