I know personally that we will be tested as Christians. This compilation of Spiritual writings is a testimony to Faith. This compilation is also a testimony to God s gift of families for it contains writings from three generations--mother, son, and granddaughter. Although traditional, this compilation of inspirational writings and poems are relevant to this global based, social media twenty-first century. Interesting, most of my writings in this compilation occurred at the oddest times--while I was trying to sleep, while teaching, while relaxing or even while talking to others. Ultimately, this compilation of Spiritual writings reflect that life is a series of experiences. As our faith in Jesus is tested, we grow spiritually, emotionally, and sometimes creatively.
