This perspective in legal circles is innovative. Previous legal works on the introduction of Western law and legal thinking. discipline limitations. ideological and institutional change in isolation. it is difficult to recognize the changes of the era thinking how innovation directly into the system. Past legal history and legal ideology and theory may have committed a mistake. and that different era law and jurisprudence task as roughly the same. or the modern legal task as both the legal mandate of the ancient society. Even the introduction of different academic concepts. often make it difficult to understand some academic insights of scholars is to answer what specific issues in the field of law....
