Taschen GmbH. Paperback. Book Condition: new. BRAND NEW, The Frenchman: A Photographic Interview with Fernandel (2nd New edition), In New York in 1948, photographer Philippe Halsman had a chance meeting with Fernandel, a French movie star from the vaudeville tradition, and asked the actor to participate in a completely original photographic experiment. Halsman would ask Fernandel questions about America to which he would respond using only facial expressions. With his long, lovable horse-face, Fernandel mim-icked the answers to such questions as "Does the average Frenchman still pinch pretty girls in a crowd?" (silly grin) and "What was your reaction to the great American game of baseball?" (perplexed). Fernandel's reactions are laugh-out-loud funny, and the book that resulted from this unusual collaboration is nothing short of wonderful. With an introduction by Art Buchwald.
