Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, River (Main), Ted Hughes, First published in 1983, "River" celebrates fluvial landscapes, their creatures and their regenerative powers. Inspired by Hughes' love of fishing and by his environmental activism, the poems are a deftly and passionately attentive chronicle of change over the course of the seasons. West Country rivers predominate ("The West Dart" and "Torridge"), but other poems imagine or recall Japanese rivers or Celtic rivers, and "The Gulkana" explores an ancient Alaskan watercourse. At its core the sequence rehearses, in various settings, from winter to winter, the life-cycle of the salmon. All this, too, is stitched into the torn richness, the epic poise that holds him so steady in his wounds, so loyal to his doom, so patient in the machinery of heaven.
