Millions of American families are crumbling from the inside out under the destructive, incapacitating influence of drug addiction. Drug withdrawal is extremely dangerous and potentially fatal. The experience is emotionally terrifying, and the painful process is what addicts fear the most. In A Painless Detox: No More Excuses, author Dan R Klatt shares his personal story and the circumstances that created the need to develop a safe and virtually painless system of detoxification (detox) that can safely be done at home. A Painless Detox is for addicts, alcoholics, their families and/or caretakers, and addiction recovery workers. Dan shares the emotional, spiritual dilemma and the importance of listening to the right voices. Through reading, you will learn about the importance of identifying toxic relationships those who love the addict but would unknowingly and unwittingly sabotage their success. A Painless Detox is merely the first crucial move toward freedom. If you are an addict, I want you to know, your family is waiting. www.PainlessDetoxBook.com www.DanRKlatt.com This item ships from multiple locations.
