

Medicines Management in Adult Nursing

By Liz Lawson, Dawn L. Hennefer

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Medicines Management in Adult Nursing, Liz Lawson, Dawn L. Hennefer, Correct medicines management for adults is a crucial skill that adult nursing students must develop in order to provide safe care to their patients. This book specifically supports pre-registration students in meeting the required competencies for medicines management needed to pass formal assessment and qualify as an adult nurse. It is clearly structured around the NMC Essential Skills Clusters for medicines management, covering legal aspects, drugs calculations, administration, storage, record keeping, introductory pharmacology, patient communication and contextual issues in medication. The book is written in user-friendly language and uses patient scenarios to explain concepts and apply theory to practice.
