Profile Books Ltd, United Kingdom, 2016. Paperback. Book Condition: New. Main. 198 x 129 mm. Language: English . Brand New Book. The world is a bewildering place and we re ill-equipped to deal with it. From the horrors of childhood to the vagaries of old age, from confused people to humiliated animals, we re all just trying - and often failing - to keep it together. How carefully should you answer when asked what you d take to a desert island? What do you do if your parents are reading your diary? How useful is a Swiss Army Knife? And what s A Brief History of Time really about? Armed with a sharp eye for the absurd and an overwhelming sense of doom, Simon Rich explores the ridiculousness of our everyday lives, from the most minute of anxieties to one of life s biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was . Simon Rich is very much laugh-out-loud funny. He can conjure authentic, from-the-abdomen laughter on almost every page. He stacks surrealism on top of slick satire on top of pure childish silliness in such a brilliant and condensed way, there are sometimes three laugh-out-loud moments within the same paragraph .He is exactly the right kind of writer for the internet: funny, high-concept, accessible, short, sharable, a James Thurber for the Twitter age Matt Haig.
