The image of the smartly uniformed, traditional nanny features in many books and films and there is something rather comforting about the idea of a 'no nonsense' nurturing and sensible childcare expert looking after your family. For over a century, Norland Nannies have cared for royal and celebrity families and are the best, most respected nannies in the world. Now their clear advice and straightforward methods - tried and tested on thousands of families - are brought together for the first time. "Nanny in a Book" is a practical companion to childcare that will help you with: setting up your nursery; sleeping, weaning and potty training; teaching your child good manners and behaviour; nursing common ailments from sore tummies to measles; and, organising a fabulous birthday party. Full of Nanny's top tips and personal stories, "Nanny in a Book" will become a trusted guide and a treasured companion - the next best thing to Mary Poppins herself sweeping in on the East wind and turning up on your doorstep.
