

Mini Dental Implants: Principles and Practice, 1e

By Sendax, Victor Dr.

Mosby, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Covering the latest advances in mini dental implant technology, Mini Dental Implants: Principles and Practice makes it easy to incorporate MDIs into your practice. An illustrated, evidence-based approach shows how MDIs can provide successful outcomes in long-term use and also in shorter-term transitional applications. This success is proven by 20 years of clinical trials and research, showing that the Sendax Mini Dental Implant System can benefit your patients with faster surgery, reduced pain, faster healing, and less risk of infection. Written by noted implant dentistry expert Dr. Victor I. Sendax, this text allows you to offer patients a minimally invasive, immediately functional, and lower-cost alternative to traditional dental implants. Easy-to-understand coverage from different perspectives allows you to access information most applicable to your own practice, and to learn more about the other roles involved in achieving successful outcomes, including the general practitioner, periodontist, oral & maxillofacial surgeon, maxillofacial prosthodontist, orthodontist, and laboratory technician. An advanced approach with evidence-based outcomes clearly demonstrates the success of mini dental implant technology and keeps you on the cutting edge of the science of implantology. Well-known author Dr....

Reviews

A must buy book if you need to adding benefit. I have go through and that i am sure that i will gonna go through once more yet again down the road. I am just very happy to let you know that this is basically the best book i have got go through inside my own life and can be he very best book for at any time.

-- **Eldridge Reilly**

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
