

Collins Pocket Guide to New Zealand Minibeasts

By Morris, Rod

HarperCollins Publishers, 2013. Paperback. Book Condition: New.

1. 12.8 x 19 cm. The perfect pocket guide to New Zealand's minibeasts the COLLINS POCKET GUIDE to NEW ZEALAND MINIBEASTS is a guide to over 120 species of 'minibeasts', from earthworms and leeches to springtails and sand scarabs. A practical and portable reference guide, it provides the basic information necessary to identify the most commonly encountered minibeasts in New Zealand. Concise, authoritative and accessible text, clear distribution maps and superb colour photographs describe what a minibeast looks like, where it lives, what it is called and what it does. Written by leading natural history writer Terence Lindsey, and featuring magnificent photographs taken largely by celebrated wildlife photographer Rod Morris, COLLINS POCKET GUIDE to NEW ZEALAND MINIBEASTS is the perfect guide for travellers, tourists and students of New Zealand wildlife. Paperback.

Reviews

Excellent eBook and useful one. It can be really fascinating through looking at period. You can expect to like just how the blogger created this publication.

Very useful to all categories of men and women. I actually have studied and I am also certain that I am going to go through again once more down the road. It has been written in an exceptionally simple way and is particularly only soon after I finished reading this publication by which basically altered me, modified the way in my opinion.
