Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Findings and Recommendations of the Survey of the Alton Public Schools: Made During the School Year 1917-1918 As long as the Board of Education of the City of Alton is composed of the present high type of public spirited citizens, the existing comfortable working relations between the various departments of the Board and between the Board and its officers doubtless will continue, but the Charter and the Rules of the Board guarantee no such continuance. The published Rules of the Board fall far short of the actual practice of the Board as regards the conduct of the Board's business. As is too frequently the case in American cities, the rules of the Board of Education fail to distinguish between the several functions of the Board, and between the sphere of activity of the Board and that of its officers. The Board of Education should be an eminent group selected, or elected by the people, to represent them in the control of the function of public education. The Board should be a deliberative, not an executive body directly; It should reflect truly all the various phases of opinion and desire found in the people which it represents: it should, by investigation and consideration and discussion, weigh the various proposals in view of the necessities and the best public policy and so determine what are the wise and feasible lines of progress; it should, through the advice of experts, study the possible channels and means and methods by which the determined aims shall be worked out and decide on the lines of action; it should leave to its officials, who must be experts in their respective...
