Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Hendrickson Publishers Inc. Hardback. Book Condition: new. BRAND NEW, How to Pray and How to Study the Bible, R A Torrey, "R. A. Torrey's passion for making Christian theology a matter of daily life shows up in the host of "how to" books that he wrote. This volume brings together in one place the two most influential of Torrey's practical guides. "How to Pray" sparked numerous revivals in the first decade of the twentieth century, and "How to Study the Bible" was a key text in spreading inductive Bible study techniques and opening up the riches of Scripture for ordinary Christians. What Torrey valued most was making the truth accessible and practical, enabling every Christian to know God personally and to take definite action in the service of Christ."--Fred Sanders, Biola UniversityAs valuable as when they were first published a century ago, Torrey's two disciple-making classics--both brimming with practical wisdom encourage believers to grow in the knowledge and love of God. Now together for the first time in one binding!Every Christian library needs the classics--the timeless books that have spoken powerfully to generations of believers.
