THE PHOTOGRAPHER

Roof Books, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book. Poetry. LGBT Studies. "Ariel Goldberg's photographer might be an essayist, philosopher, or performance artist, or they might well be you, a twenty-first-century citizen caught in the crossfire of electronic media sharing, from ubiquitous selfies capturing the minutiae of people's lives to whistle-blowing stills leaked during wartime. In an age when anyone with a smartphone is a potential photojournalist, what separates a framed composition from real life, a chance snapshot from a monumental exposé? You'll find a panorama of bracing responses here in Goldberg's genre-defying texts, including confessional alt captions for irretrievable images, epistolary meditations on the unusual ways photos are viewed today, a discursive press conference that questions photographic permission, and a campy garage-sale lecture on the obsolescence of camera accessoriesall underscored by the keen, enigmatic voice of a present-day photographer who knows the tricks of the trade but holds to a credo of candor, who contends both voluntarily and involuntarily with what Susan Sontag called an ethics of seeing." Pamela Lu.
