It s stupid because it pretends we can stop being men. It s wrong because it insists we stop being men. You can be a man and be successful at a relationship. If you have, against all hope and fate, found a woman you want to keep in your life through legal and socially acceptable means, this book will give you advice and strategies that go a long way to let her know she is important without requiring you to sacrifice being a man. We re guys, we like being guys, and there is nothing wrong with that. It is, however, time to stop acting like a 12 year old boy because, and think about it, do you really want to be with a woman who is willing to or wants to be with a 12 year old boy? This doesn t mean we have to grow up, it means we have to man up. There is a difference and this book will help you with that difference through simple and straightforward strategies and plans. Men, it s time to step up and be a real man. It s time to learn the Art of the Compliment.
