

The Hidden History of McMinn County: Tales from Eastern Tennessee

Filesize: 4.87 MB

Reviews

A top quality ebook and the typeface used was interesting to read through. It is rally intriguing throgh reading through period. You wont feel monotony at anytime of the time (that's what catalogues are for relating to when you ask me).

History Press (SC), United States, 2007. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. Amid the serenity of McMinn County, in southeast Tennessee, lies a history that has long lain hidden in old newspaper stories, county records and the memories of McMinn s most venerable citizens. The Hidden History of McMinn County is the first-ever collection of articles from the popular regional newspaper column of historian Joe Guy. Here for the first time are little-known tales from a rich heritage that few now remember: the first railroad, the oldest depot, the last public hanging, a countywide election day revolution and shootout that drew national attention, buildings made of bricks that still bear the handprints of slaves, a famous mountain hermit and a court case that doomed an entire Indian nation. Sit back, explore and enjoy the fascinating Hidden History of McMinn County.
