Brand New Book ***** Print on Demand *****.SOME EXPLANATIONS Speaking for yourself, when you see a person that attracts you do not feel the same hour, an imbalance? Minimal increase in your heart rate? It s because your sex hormones trigger, causing, among other things, a blast of your adrenaline, forcing a physical drive . Then you change position, walks differently, breathe differently, looks different, does everything different, revealing that an arrow hit your heart, or even just your sex. your libido. If the target person notice your changes and understand, will also be unbalanced, because it is not one of those things that we can fully control either like it or not. And if we like, of course we will send positive signals, if not, how the other person will know? Important to know is that this is not dirty as some absurdly tags, but only a flow of nature to which we belong, and we can surely say that these are the things that make our lives more joyful and fun, because falling in love, falls in love, feel great emotion...
