Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Primer of Book-Keeping The author s First Lessons in Book-keeping having been very widely adopted in high-class schools and colleges, it is thought that a cheaper series on the same plan would be welcome in many schools where economy has to be considered. This Primer of Book-keeping is not a mere abridgment of First Lessons. It has been almost entirely re-written, and contains several new features. Its object is to assist and encourage the intelligent study of the principles of account-keeping. The practice of the art is best learnt afterwards. The study of the Theory should be taught at school, and taught to every boy and girl; not only on account of its intrinsic importance, but because, if handled properly, it can be, and ought to be, an instrument of no mean educational value.
