Monacelli Press, United States, 2011. Hardback. Book Condition: New. New.. 279 x 236 mm. Language: English . Brand New Book. Through her first book, Bringing Paris Home, Penny Drue Baird established herself as an authority on all things French--interior design, flea market and antiques shopping, Parisian life, and stylish entertaining. In The New French Interior, she moves beyond the traditional historic styles to explore the design elements that make up the fresh, clean look--architectural details adapted from art deco, a monochromatic palette based on creams and ivories highlighted with rich browns and blacks, bold forms in furniture and lighting, and restrained tabletop settings. To illustrate the style, Baird draws on ten of her own recent projects, apartment and house installations, and presents French precedents and influences through specially commissioned photography of Parisian interiors. Images of cafes, markets, shops, and street scenes add to the magical Parisian ambiance she creates.
