The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

A Guiris Adventure: Barcelona through the eyes of an American is a shamelessly honest chronicle of Greta Paa-Kerners experiences living in Barcelona, Spain. Spiced up with cynicism, self-deprecation and dry humor, it is a recount of the history, geography, economics, and cultural euphemisms of the region. Its an armchair adventure about an American during her first year of living abroad. With the disputed U. S. presidential elections, the terrorist attacks of September 11 and Europes transition to the Euro monetary system, it was an eventful time to live in Europe. Every chapter in A Guiris Adventure captures this unique period in history. Through the highs and the lows of settling into a new culture Greta learned that being a foreigner, a Guiri meant more than speaking with an accent. For her it also meant taking a personal journey beyond ones self-made limits and stretching beyond what was comfortable. She wants you to take that journey with her. Barcelona, home of the ancient Roman settlements, the Modernist art movement and the 1992 Olympics is a story unto itself. Famous architects like Antoni Gaud and artists like Joan Mir have shaped this fascinating city and provide a colorful mosaic backdrop for this foreigners adventures. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
