Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

Oct 15, 1832 Mr. Chairman, - We have been accustomed to look back upon the period of our Revolution as the most eventful crisis in our country s history. The actors in the scenes of that day cannot recur to them without partaking of the anxiety that then filled every bosom, nor can their descendants review the page of history, that records the struggles, the sacrifices, the sufferings in the cause of Freedom, without sharing in the despondency, that, at times, oppressed the stoutest hearts - the high resolve, that the noble enterprise inspired - the excited hopes, which followed success - and the exultation at final victory. But, sir, in my judgment, there was no time in the darkest hour of that struggle, when the cause of Liberty was in more peril - there was no moment, when the utmost energies of the friends of free institutions were more earnestly called for, than at the approaching election of President. Had the power of Great Britain then subdued the rising spirit of Freedom in the colonies, - a rebellion would have been suppressed - and the Revolution postponed - not defeated. The onward march of free principles would only have been retarded - not stopped, and that, which was attempted in infancy, we would have executed in manhood. Fatal indeed would be the consequences of our failure, at this time, in the experiment of a Republican form of government. In our conflict with power, then, we triumphed gloriously. We have boasted, that we have...
