New Generation Publishing, United States, 2009. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Our all-too-human hero, Ishmael Starbuck, has no idea who he is. So, when a man with a gun disturbs his silent reverie in the Botanical Gardens in Sydney, he decides to make an adventure out of it. He meets Kim Hawthorne and her friend Hymoliga Eight - a Martian plant with the power of travelling through time and space - and he sets off on an adventure around the cosmos. Time travelling into the future and past, the gang are imprisoned and freed; threatened and saved; lost and reunited. They contend with whole systems of government and warmongering robots, but most of all they battle injustice. But will he succeed in his soul-searching before their pursuers catch up with them? And will they survive their next perilous confrontation? This is a story that cannot be put down and will leave readers wanting more. Peter Fleming is a writer and teacher, living in Sydney with his wife and family. He has never owned a mobile phone, prefers water from the tap rather than from a plastic bottle, and thinks that Facebook is something you should do after taking one down from the shelf to read.
