CORPORATE BRAVERY: ELIMINATE FEAR-BASED DECISION MAKING

Corporate Bravery, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.American culture has become a culture of fear. Parenting methods and advertising messages scream for safety. Terrorism s threat and the government s response both tell us to take cover. And, of course, social media s unending streams perpetually magnify it all. In this societal context, our business cultures, too, have become cultures of fear. Mistrust is rising between management and co-workers, all seeking to protect personal interests. Advisors push us toward fear-based caution, not opportunity-seeking strategy. External influences -- from the media to regulators to competition -- focus us on avoiding risks rather than moving boldly ahead. Corporate Bravery is a book about freeing your business from being a culture of fear. It starts by considering fear s impact on decision-making. Then, it explores eight ways that fear can harm culture. Finally, through a three-step process, it shows how to foster a culture that supports engaged employees, provides opportunities for measured risk-taking and innovation, and rewards the brave leadership that drives business success.
