

Madame Tussaud's Apprentice

Filesize: 6.9 MB

Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.

Alma Books Ltd. Paperback. Book Condition: new. BRAND NEW, Madame Tussaud's Apprentice, Kathleen Benner Duble, Celie Rosseau is a talented young artist who, along with her partner Algernon, resorts to petty thieving on the streets of Paris to survive. It is 1789: rumours of rebellion against the monarchy are starting to spread in the capital and the two of them get involved in the idealistic revolutionary fervour. But when she is caught stealing from the brother of the King himself, Celie is saved only thanks to her drawing skills and the intercession of Marie Tussaud, the famous waxworks artist and a favourite at the French court, who decides to employ her. Suddenly Celie finds herself whisked away from the tumult of Paris to the safety and opulence of Versailles. This raises a difficult moral dilemma for the young lady who had until recently dreamt of overthrowing the very people who now treat her with kindness: should she compromise her ideals and risk losing Algernon - the man she loves - or should she stay true to the cause of the poor and the revolution?.
