First Edition Design eBook Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life lessons used to be transmitted from one generation to another through stories. While the internet-age has connected people, we are only concentrating on the here and now. Hindsight is needed to help us move forward. PRIORITIES. is about understanding what is essential for each of us, as individuals. Like reading someone's journal or having tea with an auntie , PRIORITIES. is filled with stories about the good ol days and how people coped with difficult situations. PRIORITIES. was not written to give people answers. It was written to make people think: about the choices they - as individuals, or couples, or families - need to make to evolve and move forward. PRIORITIES. is a narrative written by Elizabeth Stuart-Grimes about how to get back to basics while still progressing forward. A bit like reading someone's personal journal, PRIORITIES. developed into a book designed to help people come to grips with life in the modern, twenty-first century. PRIORITIES. is about understanding the difference between our wants and our needs; between empathy and sympathy; how to co-exist with others beliefs; and how to see our personal challenges as a plus. It's about finding our own version of common sense. About the Author PRIORITIES. is Elizabeth Stuart-Grimes first book under her own name. Elizabeth, 50ish, is an American expatriate who has been living in Belgium and France for over 25 years after leaving the hectic New York PR/Advertising world to raise her children as a stay-at-home mom Ms. Stuart-Grimes is a self-proclaimed scientific tree-hugger and rational thinker. After her children left the nest, she spent more than 10 years as a technical writer...
