Different symbols mean radically different things in different contexts: a cross, a crane, or a swastika each have a distinct meaning for a Buddhist, an art historian, or a student of the occult. "1000 Symbols" offers a comprehensive directory of symbols in clear, detailed artworks, ea. accompanied by a definition of the symbol's history & its cross-cultural meanings. Beginning w/ an alphabetical, cross-referenced index, the book is then organized into groupings of related symbols: (1) Geometrical Shapes (circle, square, triangle, pentagram, crescent & spiral are just a few of the entries), (2) The Universe & the Elements (including all the symbols for the world around us (earth, air, fire & water, as well...
