Brand New Book ***** Print on Demand *****.On her fiftieth birthday, standing naked before a full-length mirror, Hannah Fleming saw a stranger. She had dabbled in sharing affection sexually with her husband, but, though a good husband and father, he had insurmountable barriers to sharing sexual and emotional intimacy. With her career in good order and her children no longer home, her longing to experience passion and erotic touch told her she needed to discover the sensual woman hidden within. She met the man who would show her all she wished to know and experience. Their intimate relationship taught her far more than she ever thought possible, about her sexuality, passion, and understanding truth in loving through emotion and erotic touch. She could not have asked for anything more; except time. Upon her lovers early death, she felt empty and lost, until she developed a close bond with his wife. Their relationship grew beyond friendship, to one of love and sharing, which until it materialized, she could never have imagined possible. Hannahs life was fulfilled in every way, and because she had indeed found wholeness through love and intimate sharing, she wished to keep those wondrous memories alive. Thus, to relive in memory the erotic sharing and deep passion she no longer owned, her memoir was born. This memoir is highly graphic, necessary for Hannah to relive the emotions, eros, and love shared. By opening Doorway to Eros, Hannah can take her journey...
